MEMBERSHIP APPLICATION

The Sonoma Valley Woman's Club, founded in 1901, continues its emphasis on philanthropy and other support for the Sonoma Valley community, including local charities and youth. To accommodate the diverse membership, there are two monthly meetings. "Afternoon" members meet at the clubhouse on the third Friday of the month and "Evening" members meet at the clubhouse on the fourth Monday of the month. The club takes a summer break and does not meet during the months of July and August.

Members' participation in meetings, fundraisers and events is critical to the success of the club.
